

All requests should be directed to the Commission Secretary, Federal Election Commission, 999 E Street, NW., Washington, DC 20463. Upon receipt of such a request, the Commission Secretary shall forward a copy to each Commissioner, the General Counsel, and the Staff Director. Within five business days of notification to the Commissioners, if two or more Commissioners agree that the Commission should consider the issue, the Office of General Counsel ("OGC") will prepare a recommendation and, within 15 business days thereafter, circulate the recommendation in accordance with all applicable Commission directives. After the recommendation is circulated for a Commission vote, in the event of an objection, the matter shall be automatically placed on the next meeting agenda consistent with the Sunshine Act, 5 U.S.C. 552b(g), and applicable Commission regulations, 11 CFR part 2. However, if within 60 business days of the filing of a request for consideration, the Commission has not resolved the issue or provided guidance on how to proceed with the matter by the affirmative vote of four or more Commissioners, the OC may proceed with the matter.

This procedure is not intended to circumvent or supplant the Advisory Opinion process provided under 2 U.S.C. 437f and 11 CFR part 112. Accordingly, any legal issues that qualify for consideration under the Advisory Opinion process are not appropriate for consideration under this new procedure. Additionally, this policy statement does not supersede the procedures regarding eligibility and entitlement to public funds set forth in Commission Directive 24 and 11 CFR 9005.1, 9033.4, 9033.6, or 9033.10.

II. Pilot Program

This agency procedure is being established as a pilot program. The pilot program will last one year from the time that this policy is approved. After one year, a vote will be scheduled on whether the program should continue. Four affirmative votes will be required to extend or make permanent the program. The program will be terminated after that vote if there are not four affirmative votes to make the program permanent or to extend it for some time period. The Commission may terminate or modify this pilot program through additional policy statements prior to the twelfth month of the pilot program by an affirmative vote of four of its members.

Dated: July 15, 2010.

On behalf of the Commission.

Chairman, Federal Election Commission.

Proposal To Approve Under OMB Delegated Authority the Implementation of the Following Information Collection

Report title: Recordkeeping Requirements Associated with Limitations on Interbank Liabilities.

Agency form number: Regulation F.

OMB control number: 7100–NEW.

Frequency: On occasion.

Reporters: State member banks and insured domestic branches of foreign banks.

Estimated annual reporting hours: 6,808 hours.

Estimated average hours per response: 8 hours.

Number of respondents: 851.

General description of report: This information collection is mandatory pursuant to section 23 of the Federal Reserve Act, as added by section 308 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA) (12 U.S.C. 371b–2). Because the Federal Reserve does not collect any information, no issue of confidentiality normally arises. However, if a compliance program becomes a Board record during an examination, the information may be protected from disclosure under exemptions (b)(4) and (b)(8) of the Freedom of Information Act (5 U.S.C. 552(b)(4) and (b)(8)).

Abstract: Pursuant to FDICIA, the Federal Reserve is required to prescribe standards to limit the risks posed by exposure of insured depository institutions to the depository institutions with which they do business (correspondents). Regulation F generally requires banks to develop and implement internal prudential policies and procedures to evaluate and control exposure to correspondents. Section 206.3 of Regulation F stipulates that a bank shall establish and maintain written policies and procedures to prevent excessive exposure to any individual correspondent in relation to the condition of the correspondent. In these policies and procedures, a bank should take into account credit and liquidity risks, including operational risks, in selecting correspondents and terminating those relationships. The policies and procedures should be

reviewed and approved by the bank's board of directors at least annually.

Board of Governors of the Federal Reserve System, July 15, 2010.

Jennifer J. Johnson,
Secretary of the Board.
