SUPPLEMENTARY INFORMATION: The Commission instituted Investigation No. 337-TA-1044 on March 22, 2017, based on a complaint filed by Complainants Advanced Micro Devices, Inc. of Sunnyvale, California and ATI Technologies ULC of Canada (collectively, “AMD” or “Complainants”). See 82 FR 14748 (Mar. 22, 2017). The complaint, as amended, alleges violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain graphics systems, components thereof, and consumer products containing the same, by reason of infringement of certain claims of U.S. Patent Nos. 7,633,506 (“the ‘506 patent”); 7,796,133; 8,760,454; and 9,582,846. *Id.* In addition to MediaTek, the notice of investigation identifies the following respondents: LG Electronics, Inc. of Seoul, Republic of Korea; LG Electronics U.S.A., Inc. of Englewood Cliffs, New Jersey; and LG Electronics MobileComm U.S.A. Inc. of San Diego, California (collectively, “LG”); VIZIO, Inc. of Irvine, California (“VIZIO”); and Sigma Designs, Inc. (“SDI”) of Fremont, California. See *id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. The Commission later terminated the

investigation as to LG based on settlement. See Order No. 48 (Oct. 20, 2017), *unreviewed*, Comm’n Notice (Nov. 13, 2017).

On April 13, 2018, the Administrative Law Judge (“ALJ”) issued a final initial determination (“FID”) finding a violation of section 337 with respect to the ‘506 patent. On August 22, 2018, the Commission affirmed with modification the FID’s findings. See 83 FR 43899 (Aug. 28, 2018). The Commission issued an LEO against respondents’ infringing products and cease and desist orders (“CDOs”) against VIZIO and SDI. See *id.*

On September 11, 2018, Complainants and VIZIO filed a joint petition to modify in part the LEO as to VIZIO and to rescind the CDO against VIZIO, based on a settlement agreement. On October 5, 2018, the Commission granted the joint petition and issued a modified LEO. See 83 FR 51500 (Oct. 11, 2018).

On September 19, 2019, Complainants and MediaTek filed a joint petition (“Petition”) to modify in part the LEO as to MediaTek based on a settlement agreement. The Petition states that “[p]ursuant to this settlement, all MediaTek articles currently covered by the Commission’s Modified Limited Exclusion Order are now licensed.” See Petition at 2. On September 30, 2019, OUII filed a response in support of the Petition.

In view of the settlement agreement between Complainants and MediaTek, the Commission finds that the conditions justifying the exclusion order against MediaTek no longer exist, and therefore, granting the joint petition is warranted under 19 U.S.C. 1337(k) and 19 CFR 210.76(a). Accordingly, the Commission has determined to institute a modification proceeding and to grant the joint petition to modify in part the LEO as to MediaTek. The Commission has issued a modified LEO. The modification proceeding is terminated.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: October 15, 2019.

Lisa Barton,

Secretary to the Commission.

Employment and Training Administration

Agency Information Collection Activities; Comment Request; Labor Standards for the Registration of Apprenticeship Programs

ACTION: Notice.

SUMMARY: The Department of Labor's (DOL's) Employment and Training Administration (ETA) is soliciting comments concerning a proposed revision for the authority to conduct the information collection request (ICR) titled, "Title 29 CFR part 29—Labor Standards for the Registration of Apprenticeship Programs." This comment request is part of continuing Departmental efforts to reduce paperwork and respondent burden in accordance with the Paperwork Reduction Act of 1995 (PRA).

DATES: Consideration will be given to all written comments received by December 20, 2019.

ADDRESSES: A copy of this ICR with applicable supporting documentation, including a description of the likely respondents, proposed frequency of response, and estimated total burden, may be obtained free by contacting Tiffany Ramos by telephone at 202-693-3563 (this is not a toll-free number), TTY 1-877-889-5627 (this is not a toll-free number), or by email at OA-ICRs@dol.gov.

Administration, Office of Apprenticeship, Room C-5321, 200 Constitution Avenue NW, Washington, DC 20210; by email: OA-ICRs@dol.gov; or by Fax: 202-693-3799.

FOR FURTHER INFORMATION CONTACT:

Contact Tiffany Ramos by telephone at 202-693-3563 (this is not a toll-free number) or by email at OA-ICRs@dol.gov.

Authority: 44 U.S.C. 3506(c)(2)(A).

SUPPLEMENTARY INFORMATION: DOL, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the Office of Management and Budget (OMB) for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

ETA is requesting the regular three-year approval on a revision to a currently approved ICR pursuant to the Paperwork Reduction Act. If approved, this request will enable ETA to continue to collect essential data concerning the labor standards of apprenticeship. Under the National Apprenticeship Act of 1937 (NAA) (29 U.S.C. 50), the Secretary of Labor is charged with the establishment of labor standards designed to safeguard the welfare of apprentices and promote apprenticeship opportunity. The NAA authorizes the Secretary of Labor to "publish information relating to existing and proposed labor standards of apprenticeship." This proposed information collection request seeks a revision of approved ETA Form 671: Program Registration (Section I), Apprentice Registration (Section II), and a separate tear-off sheet for Apprentice Registration (Section II), titled "Voluntary Disability Disclosure," (OMB Control No. 1205-0223), which is set to expire on January 31, 2020. Sections I and II of ETA Form 671 are available electronically to facilitate the registration of programs and apprentices.

The proposed revisions to ETA Form 671 consist of (1) minor edits for clarity in Sections I and II; (2) an update to the Office of Apprenticeship's room number in Section I; (3) a modification to the education level categories in Part A, 6 in Section II to align with the educational categories that the U.S. Census uses to obtain information; (4)

an update to the field in Part B, 10a from "pre-apprenticeship hourly wage" to "prior hourly wage" to ensure that the earnings of a participant prior to beginning their apprenticeship is captured regardless if he or she participated in a pre-apprenticeship program; (5) deletion of the designation of a name and address of the Sponsor designee to receive complaints as optional; (6) and an update to the citation in Section II (Voluntary Disability Disclosure) to reflect the requirement that sponsors must invite apprentices and applicants to voluntarily self-identify whether or not they have a disability as required under Title 29 CFR part 30, Equal Employment Opportunity in Apprenticeship. The National Apprenticeship Act of 1937 authorizes this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to provide comments to the contact shown in the **ADDRESSES** section. Comments must be written to receive consideration, and they will be summarized and included in the request for OMB approval of the final ICR. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0223.

Submitted comments will also be a matter of public record for this ICR and posted on the internet, without redaction. DOL encourages commenters not to include personally identifiable information, confidential business data, or other sensitive statements/information in any comments.

DOL is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
