Notice of Inventory Completion: University of Wisconsin Milwaukee, Milwaukee, WI

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Wisconsin Milwaukee (UWM) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after May 19, 2025.

ADDRESSES: Jennifer R. Haas, University of Wisconsin-Milwaukee, P.O. Box 413, Milwaukee, WI 53201, telephone (414) 229-3078, email haasjr@uwm.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of UWM, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, 31 individuals have been reasonably identified. The 18 associated funerary objects are one large clam shell cup or tool; one lot of faunal bone; one lot of grit tempered ceramic sherds; one lot of pottery; one lot of Middle Woodland period pottery; one lot of ceramic sherds; one lot of mixed material including faunal bone, charcoal, and

lithics; one lot of mixed material including faunal bone, charcoal, groundstone, lithics, rocks, and pottery; 10 lots of mixed material including shell fragments, lithic debitage, ceramic sherds, faunal bone, pottery, and historic material. The individuals and associated funerary objects were removed from the Pipe Site Complex, Fond du Lac County, WI on several different occasions between 1958 and 1997. The Pipe Site Complex consists of two sites: the Pipe Site (47FD0010) and Camp Shaginappi (47FD0013).

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

UWM has determined that:

- The human remains described in this notice represent the physical remains of 31 individuals of Native American ancestry.
- The 18 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Ho-Chunk Nation of Wisconsin; Iowa Tribe of Kansas and Nebraska; Iowa Tribe of Oklahoma; Match-e-be-nash-she-wish Band of Pottawatomi Indians of Michigan; Menominee Indian Tribe of Wisconsin; Otoe-Missouria Tribe of Indians, Oklahoma; and the Winnebago Tribe of Nebraska.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after May 19, 2025. If competing

requests for repatriation are received, UWO must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. UWO is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: April 8, 2025.

Notice of Intended Repatriation: University of California San Diego, San Diego, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of California San Diego intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after May 19, 2025.

ADDRESSES: Eva Trujillo, University of California San Diego, 9500 Gilman Drive, La Jolla, CA 92093, telephone (858) 246-2725, email e7trujillo@ucsd.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of California San Diego, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of three cultural items have been requested for repatriation. The three objects of cultural patrimony are three historical ledger books drawings. The two Kiowa-Finley ledgers were collected by Walter Lowrie Finley, 2nd Lieutenant, 9th Cavalry while stationed at Fort Sill during 11/19/1881 to 7/16/1883. The original author was identified as Kiowa but not named.

The Koba-Russell sketchbook was given to Miss Josephine Russell in 1876 by Captain Richard H. Pratt, Commander of Fort Marion in St. Augustine, Florida. Koba, the original Kiowa author, was one of 72 warriors from a number of Plains Indian tribes imprisoned in 1875 at Fort Marion, the old Spanish fortress in St. Augustine, Florida. Miss Russell served as a volunteer school-mistress at Fort Marion, providing instruction for the Plains Indian warriors imprisoned there from 1875 to 1878. The three items were donated to the University of California San Diego at a later time.

Determinations

The University of California San Diego has determined that:

- The three objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a reasonable connection between the cultural items described in this notice and the Kiowa Indian Tribe of Oklahoma.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after May 19, 2025. If competing requests for repatriation are received, the University of California San Diego must determine the most appropriate requestor prior to repatriation. Requests

for joint repatriation of the cultural items are considered a single request and not competing requests. The University of California San Diego is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

**Notice of Intended Repatriation:
Buffalo Society of Natural Sciences,
Buffalo Museum of Science, Buffalo,
NY**

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Buffalo Society of Natural Sciences intends to repatriate a certain cultural item that meets the definition of an unassociated funerary object and that has a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural item in this notice may occur on or after May 19, 2025.

ADDRESSES: Kathryn H. Leacock, Buffalo Society of Natural Sciences, Buffalo Museum of Science, 1020 Humboldt Parkway, Buffalo, NY 14211, telephone (716) 896-5200, email kleacock@sciencebuff.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Buffalo Society of Natural Sciences and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of one cultural item has been requested for repatriation. The one unassociated funerary item is known as catalog number C478. Museum catalog records indicate this is a ceramic vessel with a long neck and indentations on the shoulder. The ceramic is shell tempered. This funerary object was known to be part of a larger burial-ceremonial complex at Moundville, in Hale and Tuscaloosa Counties, Alabama. Moundville is culturally affiliated to the Muskogean language speaking Tribes. Accession records indicate that C478 was removed from Mound D at Moundville in Hale County Alabama. Collected by Chauncey W. Riggs and acquired by the Buffalo Society of Natural Sciences in 1891.

Determinations

The Buffalo Society of Natural Sciences has determined that:

- The one unassociated funerary object described in this notice are reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.
- There is a reasonable connection between the cultural items described in this notice and The Choctaw Nation of Oklahoma.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after May 19, 2025. If competing requests for repatriation are received, the Buffalo Society of Natural Sciences
