SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63064; File No. SR-Phlx-2010-136]

Self-Regulatory Organizations; NASDAQ OMX PHLX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Rule 1015

October 7, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 30, 2010, NASDAQ OMX PHLX, Inc. (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete Rule 1015, Execution Guarantees (with the exception of subparagraph (a)(vi)), which is outdated and should have been deleted previously. The Exchange also proposes to delete Options Floor Procedure Advice (“Advice”) A-11, which contains corresponding language. The Exchange proposes to move subparagraph (a)(vi) of both Rule 1015

and Advice A-11 to Rule 1063.02, which governs floor broker activity.

The text of the proposed rule change is available on the Exchange’s Web site at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, at the Commission’s Public Reference Room, and on the Commission’s Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to update and correct the rules by deleting two outdated rules. Generally, the execution of orders is now governed by Rules 1080 and 1082, among others. Rule 1015 refers to execution guarantees, disseminated size and “trade or fade” provisions that together have become obsolete due to the combination of the adoption of firm quote obligations in options and increased automation; specifically, the disseminated size is no longer an artificial size that requires this rule to apportion responsibility to “floor traders” to reach that minimum size. With the advent of an actual size in options along with automatic execution at the displayed size, these provisions became outdated.

With respect to Advice A-11, it tracks the language of Rule 1015. Historically, Advices replicated the provisions of the Exchange’s rules that were most pertinent for the trading floor community to keep handy, in lieu of the large, unwieldy rulebook; the Exchange adopted, for many years, both rules and advices that contained nearly identical language where the advice was the subject of a fine schedule under the Exchange’s minor rule plan in order for the trading floor to have easy access to these provisions (which the Exchange printed and distributed) and in order for

those persons who administered fines to have easy access to consult the applicable fine schedules.³

The Exchange proposes to move Rule 1015(a)(vi) to Rule 1063.02 because it governs floor broker behavior and continues to be relevant.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act ⁴ in general, and furthers the objectives of Section 6(b)(5) of the Act ⁵ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by deleting obsolete provisions and generally providing clarity to the rules.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act ⁶ and Rule 19b-4(f)(6) thereunder.⁷

³ Advices are administered as part of the Exchange’s minor rule plan; the Exchange proposes to remove Advice A-11 from the minor rule plan.

⁶ 15 U.S.C. 78s(b)(3)(A).

⁷ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. Phlx has satisfied this requirement.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63057; File No. SR-NYSE-2010-70]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by New York Stock Exchange LLC To Amend the Exchange Price List

October 6, 2010.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act")² and Rule 19b-4 thereunder,³ notice is hereby given that, on September 30, 2010, New York Stock Exchange LLC ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its 2010 Price List to assess monthly fees for the use of all ports that provide connectivity to its equity trading systems. The monthly fee for ports will be \$100 per pair per month up to five pairs, then \$500 for each additional five pairs. In its table of credits applicable to Supplemental Liquidity Providers ("SLPs"), the Exchange is modifying language referencing the SLP quoting requirement to reflect a recent rule filing that changed the standard from 3% to 10% of the regular trading day in any calendar month in order to receive a financial rebate and also added a

volume requirement. The amended pricing will take effect on October 1, 2010. The text of the proposed rule change is available at the Exchange, at <http://www.nyse.com>, at the Commission's Public Reference Room, and on the Commission's Web site at <http://www.sec.gov>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its 2010 Price List to assess monthly fees for the use of all ports that provide connectivity to its equity trading systems. A number of other markets already charge such fees, but the Exchange has not previously done so.

The level of activity with respect to a particular port will not affect the assessment of monthly fees, so even if a particular port that is available to a participant is not used, the participant will still be billed for that port. The monthly fee for ports will be \$100 per pair per month up to five pairs, then \$500 for each additional five pairs. For example, the fee for seven pairs of ports will be \$1,000 per month. Billing for ports will be based on the number of ports on the third business day prior to the end of the month.

In its table of credits applicable to SLPs, the Exchange is modifying language referencing the SLP quoting requirement to reflect a recent rule filing that changed the standard from 3% to 10% of the regular trading day in any calendar month in order to receive a financial rebate and also added a volume requirement.⁴

These changes are intended to be effective immediately for all transactions beginning October 1, 2010.
