In the Matter of Certain Composite Wear Components and Products Containing Same; Notice of Issuance of Limited Exclusion Order and Cease and Desist Order; Termination of Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: The United States International Trade Commission hereby

provides notice that it has determined to issue a limited exclusion order and cease and desist order and terminate the investigation.

The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: This investigation was instituted on April 25, 2008, based on a complaint filed by Magotteaux International S/A and Magotteaux, Inc. (collectively, "Magotteaux"). The complaint, as supplemented, alleged violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain composite wear components and products containing the same that infringe claims 12–13 and 16–21 of U.S. Patent No. RE 39,998 ("the '998 patent"). The complaint named Fonderie Acciaierie Rioale S.P.A. ("FAR"), AIA Engineering Ltd., and Vega Industries (collectively, "AIAE Respondents") as respondents. FAR was subsequently terminated from the investigation on the basis of a settlement agreement, leaving the AIAE Respondents as the only remaining respondents.

On May 8, 2009, the ALJ issued an ID finding the AIAE Respondents in default pursuant to Commission Rules 210.16(a)(2) and 210.17, 19 CFR 210.16(a)(2) and 210.17. On July 7, 2009, the Commission determined not to review the ID and indicated that, in addition to the ALJ's finding of violation pursuant to Rule 210.17, the Commission presumes the facts alleged in the complaint to be true with respect to the AIAE Respondents. The Commission also determined to waive Commission Rule 210.42(a)(ii), which,

unless the Commission orders otherwise, requires that the ALJ issue a recommended determination on remedy and bonding in conjunction with any final initial determination concerning violation of section 337. The Commission encouraged the parties to the investigation, interested government agencies, and any other interested parties to file written submissions on the issues of remedy, the public interest, and bonding. The parties to the investigation and the IA filed submissions and response submissions concerning remedy, the public interest, and bonding on July 22, 2009, and July 30, 2009, respectively. No other parties filed submissions.

Having examined the record in this investigation, including the submissions on remedy, the public interest, and bonding and responses thereto, the Commission has determined that the appropriate form of relief is a limited exclusion order and a cease and desist order.

The limited exclusion order prohibits the unlicensed entry for consumption of composite wear components and products containing same that are covered by one or more of claims 12–13 and 16–21 of the '998 patent and that are manufactured abroad by or on behalf of, or are imported by or on behalf of, AIA Engineering Limited or Vega Industries or any of their affiliated companies, parents, subsidiaries, or other related business entities, or their successors or assigns.

The cease and desist order covers products that infringe claims 12–13 and 16–21 of the '998 patent and is directed to defaulting domestic respondent Vega Industries and any of its principals, stockholders, officers, directors, employees, agents, licensees, distributors, controlled (whether by stock ownership or otherwise) and majority owned business entities, successors, and assigns.

The Commission has also determined that the public interest factors enumerated in 19 U.S.C. 1337(d) and (f) do not preclude issuance of the aforementioned remedial orders, and that the bond during the Presidential period of review shall be set at 100 percent of the entered value for any covered composite wear components and products containing same.

The authority for the Commission's determinations is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.49–210.50 of the Commission's Rules of Practice and Procedure (19 CFR 210.49–210.50).

By order of the Commission.

Issued: November 24, 2009.

William R. Bishop,

Acting Secretary to the Commission.

SUPPLEMENTARY INFORMATION:

Background.—On January 25, 2005, the Department of Commerce issued an antidumping duty order on imports of certain crepe paper products from China (70 FR 3509). The Commission is conducting a review to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct a full review or an expedited review. The Commission's determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) The *Subject Country* in this review is China.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determination, the Commission defined the *Domestic Like Product* as crepe paper, coextensive with Commerce's scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determination, the Commission defined the *Domestic Industry* as all domestic producers (whether integrated or converters) of crepe paper.

(5) The *Order Date* is the date that the antidumping duty order under review became effective. In this review, the *Order Date* is January 25, 2005.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

Participation in the review and public service list.—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the review as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the review.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation. The Commission's designated agency ethics official has advised that a five-year review is not considered the "same particular matter" as the corresponding underlying original investigation for purposes of 18 U.S.C. 207, the post employment statute for Federal employees, and Commission rule 201.15(b)(19 CFR 201.15(b)), 73 FR 24609 (May 5, 2008). This advice was developed in consultation with the Office of Government Ethics. Consequently, former employees are not required to seek Commission approval to appear in a review under Commission rule 19 CFR 201.15, even if the corresponding underlying original investigation was pending when they were Commission employees. For further ethics advice on this matter, contact Carol McCue Verratti, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in this review available to authorized applicants under the APO issued in the review, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. 1677(9), who are parties to the review. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the
