Needs and Uses: DoD contracting officers use this information to verify that prospective contractors have adequate insurance prior to award of stevedoring contracts; to provide appropriate price adjustments to stevedoring contracts; to assist the Maritime Administration in monitoring compliance with requirements for use of U.S.-flag vessels in accordance with the Cargo Preference Act of 1904 (10 U.S.C. 2631); and to provide appropriate and timely shipping documentation and instructions to contractors.

The clause at DFARS 252.247–7000, Hardship Conditions, is prescribed at DFARS 247.270–4(a) for use in all solicitations and contracts for the acquisition of stevedoring services. Paragraph (a) of the clause requires the contractor to notify the contracting officer of unusual conditions associated with loading or unloading a particular cargo, for potential adjustment of contract labor rates; and to submit any associated request for price adjustment to the contracting officer within 10 working days of the vessel sailing time.

The clause at DFARS 252.247–7002, Revision of Prices, is prescribed at DFARS 247.270–4(b) for use in solicitations and contracts when using negotiation to acquire stevedoring services. Paragraph (c) of the clause provides that, at any time, either the contracting officer or the contractor may deliver to the other a written demand that the parties negotiate to revise the prices under the contract. Paragraph (d) of the clause requires that, if either party

makes such a demand, the contractor must submit relevant data upon which to base negotiations.

The clause at DFARS 252.247–7007, Liability and Insurance, is prescribed at DFARS 247.270–4(c) for use in all solicitations and contracts for the acquisition of stevedoring services. Paragraph (f) of the clause requires the contractor to furnish the contracting officer with satisfactory evidence of insurance.

The provision at DFARS 252.247–7022, Representation of Extent of Transportation by Sea, is prescribed at DFARS 247.574(a) for use in all solicitations except those for direct purchase of ocean transportation services or those with an anticipated value at or below the simplified acquisition threshold. Paragraph (b) of the provision requires the offeror to represent whether or not it anticipates that supplies will be transported by sea in the performance of any contract or subcontract resulting from the solicitation.

The clause at DFARS 252.247–7023, Transportation of Supplies by Sea, is prescribed at DFARS 247.574(b) for use in all solicitations and contracts except those for direct purchase of ocean transportation services. Paragraph (d) of the clause requires the contractor to submit any requests for use of other than U.S.-flag vessels in writing to the contracting officer. Paragraph (e) of the clause requires the contractor to submit one copy of the rated on board vessel operating carrier's ocean bill of lading. Paragraph (f) of the clause, if the contract exceeds the simplified acquisition threshold, requires the contractor to represent, with its final invoice, that: (1) No ocean transportation was used in the performance of the contract; (2) only U.S.-flag vessels were used for all ocean shipments under the contract; (3) the contractor had the written consent of the contracting officer for all non-U.S.-flag ocean transportation; or (4) shipments were made on non-U.S.-flag vessels without the written consent of the contracting officer. Contractors must flow down these requirements to noncommercial subcontracts and certain types of commercial subcontracts. Subcontracts at or below the simplified acquisition threshold are excluded from the requirements of paragraph (f) stated above. Paragraph (h) of the clause, requires the contractor, after award, to notify the contracting officer if the contractor learns that supplies will be transported by sea and the contractor indicated, in the solicitation, that the contractor did not anticipate transporting any supplies by sea.
