**Background**

On January 20, 1987, the Department published, in the **Federal Register**, the antidumping and countervailing duty orders on cookware from Korea. *See Antidumping Duty Order; Certain Stainless Steel Cooking Ware From the Republic of Korea*, 52 FR 2139 (January 20, 1987); and *Countervailing Duty Order; Certain Stainless Steel Cooking Ware From the Republic of Korea*, 52 FR 2140 (January 20, 1987). In two subsequent sunset reviews of the antidumping and countervailing duty orders, based on affirmative decisions

by the Department and the International Trade Commission, the antidumping and countervailing duty orders on cookware from Korea were continued. *See Continuation of Antidumping Duty Orders and Countervailing Duty Orders: Top-of-the-Stove Stainless Steel Cooking Ware From Taiwan and Korea*, 65 FR 20801 (April 18, 2000); *Top-of-the-Stove Stainless Steel Cooking Ware from the Republic of Korea; Continuation of the Antidumping Duty Order*, 70 FR 69739 (November 17, 2005); and *Continuation of Countervailing Duty Order: Top-of-the-Stove Stainless Steel Cookware from South Korea*, 70 FR 70585 (November 22, 2005).

On October 1, 2010, the Department initiated the current sunset reviews of the antidumping and countervailing duty orders on cookware from Korea, pursuant to section 751(c) of the Act. *See Initiation Notice*. We received no response to the notice of initiation from the domestic industry by the applicable deadline. *See* 19 CFR 351.218(d)(1)(i). As a result, the Department has determined that no domestic interested party intends to participate in the sunset reviews. On October 21, 2010 we notified the International Trade Commission, in writing, that we intend to revoke the antidumping and countervailing duty orders on cookware from Korea. *See* 19 CFR 351.218(d)(1)(iii)(B)(2).

**Revocation**

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.218(d)(1)(iii)(B)(3) and 19 CFR 351.222(i)(1)(i), if no interested parties respond to a notice of initiation, the Department shall, within 90 days after the initiation of the review, revoke the order. Because no domestic interested party filed a notice of intent to participate in these reviews, the Department finds that no domestic interested party is participating in the reviews. Thus, we are revoking the antidumping and countervailing duty orders on cookware from Korea.

**Effective Dates of Revocation**

The effective date of revocation of the antidumping duty order is November 17, 2010; the effective date of revocation for the countervailing duty order is November 22, 2010. These dates are the fifth anniversaries of the date of publication in the **Federal Register** of the most recent notice of continuation of the antidumping and countervailing orders, respectively.

Pursuant to sections 751(c)(3)(A) and 751(c)(6)(A)(iii) of the Act, and 19 CFR 351.222(i)(2)(i), the Department intends to notify U.S. Customs and Border Protection to terminate the suspension

of liquidation of the merchandise subject to the antidumping duty and countervailing duty orders entered, or withdrawn from warehouse, for consumption on or after November 17, 2010, and on or after November 22, 2010, respectively.

Entries of subject merchandise prior to the effective dates of revocation will continue to be subject to suspension of liquidation and antidumping duty and countervailing duty cash deposit requirements. The Department will complete any pending administrative reviews of these orders and will conduct administrative reviews of subject merchandise entered prior to the effective dates of revocation in response to appropriately filed requests of review.

These five-year (sunset) reviews and notice are issued and published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: December 22, 2010.
