### Agency for Healthcare Research and Quality

#### National Advisory Council for Healthcare Research and Quality: Request for Nominations for Public Members

**AGENCY:** Agency for Healthcare Research and Quality, HHS.

**ACTION:** Request for nominations for public members.

**SUMMARY:** 42 U.S.C. 299c, section 921 of the Public Health Service (PHS Act), established a National Advisory Council for Healthcare Research and Quality (the Council). The Council is to advise the Secretary of HHS and the Director of the Agency for Healthcare Research and Quality (AHRQ), on matters related to actions of the Agency to enhance the quality, improve the outcomes, and reduce the costs of health care services, as well as improve access to such services, through scientific research and the promotion of improvements in clinical practice and in the organization, financing, and delivery of health care services.

Seven current members' terms will expire in August 2001. To fill these positions in accordance with the legislative mandate establishing the Council, we are seeking individuals who are distinguished in the conduct of research, demonstration projects, and evaluations with respect to health care; individuals distinguished in the fields of health care quality research or health care improvement; individuals distinguished in the practice of medicine; individuals distinguished in the practice of medicine; individuals distinguished in the other health professions; individuals either representing the private health care sector (including health plans, providers, and purchasers) or individuals distinguished as administrators of health care delivery systems; individuals distinguished in the fields of health care economics, management science, information systems, law, ethics, business, or public policy; and individuals representing the interests of patients and consumers of health care. Individuals are particularly
