Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of March, 2002.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

Negative Determinations for Worker Adjustment Assistance

In each of the following cases the investigation revealed that criterion (3)

has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

TA-W-40,157 & A; The Steel Group, The Steel Co., Chicago, IL and Midwest Annealing and Processing Corp., East Chicago, IN

TA-W-40,436 & A; Dometic Corp., Awning Line, LaGrange, IN

TA-W-40,672; Trio Dyeing and Finishing Co., Inc., Paterson, NJ

TA-W-40,453; Penley Corp., West Paris, ME

In the following cases, the investigation revealed that the criteria for eligibility have not been met for the reasons specified.

Increased imports did not contribute importantly to worker separations at the firm.

TA-W-40,773; S-B Power Tool Co., Walnut Ridge, AR

TA-W-40,720 & A; Rohm Device USA LLC, 760 Kifer Road, Sunnyvale, CA, Rohm Device USA LLC, 760 Kifer Road, Sunnyvale, CA and Rohm Device USA LLC, 611 N. Pastoria Avenue, Sunnyvale, CA

TA-W-40,550; Nokia, Inc., Nokia Networks, Product Operation, Fort Worth, TX

The workers firm does not produce an article as required for certification under Section 222 of the Trade Act of 1974.

TA-W-40,497; Lundeen's Inc., North Platte, NE

TA-W-40,444; Purcell Tire and Rubber Co., Santa Rita, NM

TA-W-39,282 & A,B,C,D,E; Standard Corp., Integrated Logistics, Wilmington, NC, Leland, NC, Kinston, NC, Grifton, NC, Charleston, SC and Moncks Corner, SC

The investigation revealed that criteria (2) has not been met. Sales or production did not decline during the relevant period as required for certification.

TA-W-40,684; Independent Tool and Manufacturing, Inc., Meadville, PA

TA-W-40,610; The Goodyear Tire and Rubber Co., Gadsden, AL

Also, pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance hereinafter called (NAFTA-TAA) and in accordance with section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act as amended, the Department of Labor presents summaries of determinations regarding eligibility to apply for NAFTA-TAA issued during the month of March, 2002.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of section 250 of the Trade Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(2) That sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) That imports from Mexico or Canada of articles like or directly

competitive with articles produced by such firm or subdivision have increased, and that the increases imports contributed importantly to such workers' separations or threat or separation and to the decline in sales or production of such firm or subdivision; or

(4) That there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

Negative Determinations NAFTA-TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.

International Paper Company, Erie, Pennsylvania; Including Contract Employees of Honeywell, Inc. Employed at International Paper Company Erie, Pennsylvania Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on February 4, 2002, applicable to workers of International Paper Company, Erie, Pennsylvania. The notice was published in the **Federal Register** on February 28, 2002 (67 FR 9326).

At the request of Honeywell, Inc., the Department reviewed the certification for workers of the subject firm.

Information provided by the company shows that some workers at International Paper, Erie, Pennsylvania were contracted from Honeywell, Inc. to maintain and operate automated control systems required for the production of hardwood pulp and writing, text and cover paper produced at the Erie, Pennsylvania location of the subject firm.

Based on these findings, the Department is amending the
