Re: Paskenta Band Amended Gaming Ordinance  
Dear Chairman Alejandra:

This letter responds to the March 21, 2022 submission on behalf of the Paskenta Band of Nomlaki Indians ("Tribe") informing the National Indian Gaming Commission that the Tribe amended its gaming ordinance. The amendments to the tribal gaming code were intended to update the ordinance to reflect changes in tribal law, ensure consistency with federal law and bring it in conformity with the Tribe's new gaming compact with the State of California that became effective on December 11, 2020.

25 CFR 522.2(t) requires a tribe to submit a description for resolving disputes between the gaming public and the tribe with any request for approval of a gaming ordinance. Previously, the dispute resolution process was described in the Tribe's ordinance. Resolution TC2022–5 amends the gaming ordinance to now require the gaming commission to promulgate dispute resolution regulations that meet the minimum standards set forth in the Tribe's gaming compact. Since the amended gaming ordinance specifies that any dispute resolution process must meet the minimum standards of the Tribe's gaming compact, it is my understanding that in the absence of an approved dispute resolution regulations, the dispute resolution process described in gaming compact will control.

Thank you for bringing these amendments to our attention. The amended ordinance, as noted above, is approved as it is consistent with the requirements of the Indian Gaming Regulatory Act and NIGC's regulations. If you have any questions or require anything further, please contact Josh Proper at (202) 632–0294.
