BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: An Observer Program for Vessels in the Pacific Coast Groundfish Fishery.

OMB Control Number: 0648-0500.

Form Number(s): NA.

Type of Request: Regular submission (extension of a currently approved information collection).

Number of Respondents: 5.

Average Hours per Response:

Projected observer assignments and observer contracts, 5 minutes each; training/briefing and debriefing registration, 7 minutes; weekly deployment reports and reports of harassment/refusal to board, safety or performance concerns, 15 minutes each; observer provider change in ownership, 20 minutes.

Burden Hours: 135.

Needs and Uses: This is a request for a renewal of a currently approved information collection.

NMFS At-Sea Hake and West Coast Groundfish Observer Programs define observer duties, train and brief/debrief observers, and manage observer data and its release. The observers, deployed aboard vessels participating in the U.S. West Coast groundfish fishery, are hired by observer providers who contract with the vessels to provide the required observer coverage (50 CFR part 660). This data collection relates to the response time for observer providers to register observers for training, briefing and debriefing and to provide projected assignments and weekly reports to NMFS, as well as copies of contracts with observers or vessels, change in ownership information, and reports of harassment of and other concerns related to vessels and observers.

Affected Public: Business or other for-profit organizations.

Frequency: Weekly and on occasion.

Respondent's Obligation: Mandatory.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at *dHynek@doc.gov*).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Foreign Fishing Reporting Requirements.

OMB Control Number: 0648-0075.

Form Number(s): NA.

Type of Request: Regular submission (renewal of a current information collection).

Number of Respondents: 1.

Average Hours per Response: Reports, 6 minutes; logbook reports, 30 minutes.

Burden Hours: 56.

Needs and Uses: This request is for renewal of a current information collection.

Foreign fishing activities are authorized under the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*). The collection of information from permitted foreign vessels is necessary to monitor their activities and whereabouts in U.S. waters. Reports are also necessary to monitor the amount of fish, if any, such vessels receive from U.S. vessels in joint venture operations, wherein U.S. vessels catch and transfer at-sea to permitted foreign vessels certain species for which U.S. demand is low relative to the abundance of the species.

Affected Public: Business or other for-profit organizations.

Frequency: Daily and weekly.

Respondent's Obligation: Mandatory.

OMB Desk Officer:

OIRA_Submission@omb.eop.gov.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 68-2010]

Foreign-Trade Zone 86—Tacoma, WA Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Port of Tacoma,

grantee of FTZ 86, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09 (correction 74 FR 3987, 1/22/09); 75 FR 71069–71070, 11/22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on December 3, 2010.

FTZ 86 was approved by the Board on July 20, 1983 (Board Order 216, 48 FR 34794, 08/01/83) and expanded on April 3, 1985 (Board Order 292, 50 FR 15206, 04/17/85), on November 3, 1989 (Board Order 446, 54 FR 47247, 11/13/89) and on November 21, 2000 (Board Order 1131, 65 FR 76218, 12/06/00).

The current zone project includes the following sites: *Site 1* (621 acres)—Port of Tacoma Complex, Tacoma; *Site 2* (137 acres)—Valley South Corporate Park, 142nd Avenue East, Sumner; *Site 3* (226 acres)—four port-owned parcels located at 19315 38th Avenue East (30 acres), 4630 192nd Street East (31 acres), the intersection of 192nd Street East and 54th Avenue East (31 acres) and at the intersection of 38th Avenue East and 200th Street East (134 acres), Frederickson; *Site 4* (232 acres)—Fife Business Park, 5003 Pacific Highway East, Fife; *Site 5* (170 acres)—Lakewood Industrial Park, 4700 100th Street Southwest, Lakewood; *Site 6* (76 acres)—Sumner Corporate Park, 1800 140th Avenue East, Sumner; *Site 7* (423 acres)—Cascadia Development Corporation Industrial Park, State Road 410, South Prairie; *Site 10* (123 acres)—Greenwater Corporate Park, East Valley Highway and 8th Street East, Sumner; *Site 11* (185 acres)—Boeing Frederickson parcel, 18001 Canyon Road East, Frederickson; *Site 12* (160 acres)—J.R. & F. Randles parcel, 19209 Canyon Road East, Frederickson; *Site 13* (33 acres)—Rainier Corporate Park East, 70th Avenue East and 20th Street East, Fife; and, *Site 14* (89 acres)—Trans Pacific Industrial Park, 20th Street East and Port of Tacoma Road, Fife.

The grantee’s proposed service area under the ASF would be Pierce County, Washington, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’

needs for FTZ designation. The proposed service area is within and adjacent to the Tacoma Washington Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include all of the existing sites as “magnet” sites. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No usage-driven sites are being requested at this time. As part of the reorganization request, the applicant is also requesting that Site 13 be removed from the zone project due to changed circumstances. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 86’s authorized subzones.

In accordance with the Board’s regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is February 8, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to February 23, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230–0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482–0862.

Dated: December 3, 2010.

Andrew McGilvray,
Executive Secretary.

BILLING CODE P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Order No. 1724]

Grant of Authority for Subzone Status; Lam Research Corporation (Wafer Fabrication Equipment) Fremont, Newark, and Livermore, CA

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Foreign-Trade Zones Act provides for “* * * the establishment * * * of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,” and authorizes the Foreign-Trade Zones Board to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs and Border Protection ports of entry;

Whereas, the Board’s regulations (15 CFR Part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved, and when the activity results in a significant public benefit and is in the public interest;

Whereas, the City of San Jose, California, grantee of Foreign-Trade Zone 18, has made application to the Board for authority to establish a special-purpose subzone at the wafer fabrication equipment manufacturing and distribution facilities of Lam Research Corporation, located in Fremont, Newark, and Livermore, California, (FTZ Docket 36–2010, filed 5/18/2010);

Whereas, notice inviting public comment has been given in the **Federal Register** (75 FR 29722–29723, 5/27/2010) and the application has been processed pursuant to the FTZ Act and the Board’s regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner’s report, and finds that the requirements of the FTZ Act and Board’s regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby grants authority for subzone status for activity related to the manufacturing and distribution of wafer fabrication equipment at the facilities of Lam Research Corporation, located in Fremont, Newark, and Livermore, California (Subzone 18F), as described in the application and **Federal Register** notice, subject to the FTZ Act and the
