Proposed Project: The CDC/ATSDR Educational Loan Repayment Program

(ELRP)—New—Office of the Director, Human Resources Management Office, Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry (CDC/ATSDR).

The Centers for Disease Control and Prevention (CDC) intends to implement an Educational Loan Repayment Program (ELRP) authorized under 42 U.S.C. Sect. 247b-7 as a recruitment and retention incentive for highly qualified health professionals in hard-to-fill positions. The ELRP will be implemented on a pilot basis with up to fifteen (15) loans.

Under the ELRP, a maximum of \$35,000 a year (plus 39 per cent of total loan repayment for tax credit as loan repayment benefits represent taxable income) may be repaid toward a participant's outstanding eligible educational debt. The participant is responsible for a loan repayment equal to a total of 10 percent of his/her annual CDC base salary, while the ELRP will repay at a rate of one-third (1/3) of the remaining repayable debt (up to the maximum allowable) for each of the three (3) years. The participant must sign a contract agreeing to remain employed by CDC for a period of not less than three years. Failure to complete the minimum three-year service agreement period will be considered a breach of contract and will subject the ELRP participant to assessment of monetary penalties and damages. Actual loan repayment amounts are based on the proportion of a participant's qualifying debt relative to his/her beginning CDC base salary.

Overall ELRP eligibility requirements:

- Be a citizen of the United States;
- Hold a relevant Doctoral degree or equivalent;
- Have been selected for a vacant position or is currently assigned to a covered hard-to-fill health professional occupational series at CDC/ATSDR; and,
- Have a qualifying educational debt in excess of 20 percent of their annual CDC base salary.

There are no costs to respondents.
