DEPARTMENT OF HEALTH AND HUMAN SERVICES

Notice of Meeting

AGENCY: Office of the Secretary, HHS.

ACTION: Notice of meeting.

At the request of the Secretary, a meeting will be held to determine if and how the Public Health Service Bovine Spongiform Encephalopathy/Transmissible Spongiform Encephalopathy (BSE/TSE) Action Plan can be expanded to capitalize on the human and physical resources of the pharmaceutical and biotechnology industries. A copy of this plan is appended to this Notice. The meeting

will be held in the Office of the Secretary, Hubert H. Humphrey Building, 200 Independence Ave. SW., Washington, DC 20201 on Monday, September 24, 2001, from 9 a.m. to 3 p.m. Because of space limitations, attendance at the meeting will be limited to approximately 100 persons, and will therefore be limited to those who have preregistered.

Up to 30 of the approximately 100 spaces available will be reserved for those who submit a written proposal of no more than two single-spaced pages in length, and preferably no more than one page, that describes in general terms (1) needs in areas of basic research on any aspect of BSE or any TSE that are currently unmet and (2) human and physical resources under their control that could be recruited to support this research. This solicitation of "industries" is directed at industries of all sizes, and to non-profit as well as for-profit entities.

Preference for the 30 reserved spaces will be given to those whose proposals are received by the undersigned no later than close of business Friday, August 31, 2001. A paper copy and an electronic copy in either Microsoft Word (R) or WordPerfect (R) format are requested, but fax and e-mail submissions will be accepted. Proposals must include a return mailing address, individual to contact, and telephone number of that individual. If available, a fax number and an e-mail address should also be provided.

A period of up to one hour will be reserved for public comment. Persons who wish to comment on their own proposal or any other matter will be asked to do so for no more than 5 minutes.

The sole purpose of this meeting is to gather information. No decisions will be made at this meeting. A transcript and

a summary of the meeting will be available from the undersigned on or before October 8, 2001.

Those considering submission of a proposal or speaking at the meeting are advised that all information received in response to this Notice will be considered to be in the public domain.

Bovine Spongiform Encephalopathy/Transmissible Spongiform Encephalopathy (BSE/TSE) Action Plan

Background

Bovine spongiform encephalopathy (BSE), or "mad cow disease," was first recognized in the United Kingdom in 1986. Major efforts were undertaken to control the BSE epidemic that followed. These included the precautionary slaughter of about 4.5 million asymptomatic cattle, and increasingly broader prohibitions against recycling animal tissues and byproducts into the food chain through livestock feed supplements. There is compelling epidemiological evidence that these actions reversed the course of the BSE epidemic within the United Kingdom.

Unfortunately, these measures were insufficient, or not instituted in time, to prevent the occurrence of BSE in other European countries. These initially included France, Ireland, Portugal, and
