### Calculation of Inflation Adjustments

The FCPIAA, as amended, directs federal agencies to adjust each civil monetary penalty under their jurisdiction for inflation in January of each year pursuant to a cost-of-living adjustment.<sup>4</sup> The cost-of-living adjustment is based on the percent change between the U.S. Department of Labor’s Consumer Price Index for all-urban consumers (“CPI-U”) for the month of October preceding the date of the adjustment, and the CPI-U for

October of the prior year.<sup>5</sup> Based on that formula, the cost-of-living adjustment multiplier for 2025 is 1.02598. The FCPIAA also directs that these penalty level adjustments should be rounded to the nearest dollar. Agencies do not have discretion over whether to adjust a maximum civil penalty, or the method used to determine the adjustment.

The following chart illustrates the application of these adjustments to the civil monetary penalties under the Commission’s jurisdiction.

### Effective Dates of New Penalties

These new penalty levels apply to civil penalties assessed after the effective date of the applicable adjustment, including civil penalties whose associated violation predated the effective date.<sup>6</sup> These adjustments do not retrospectively change previously assessed or enforced civil penalties that the FTC is actively collecting or has collected.

### Procedural Requirements

The FCPIAA, as amended, directs agencies to adjust civil monetary penalties through rulemaking and to publish the required inflation adjustments in the **Federal Register**, notwithstanding section 553 of title 5 in the United States Code. Pursuant to this congressional mandate, prior public

notice and comment under the APA and a delayed effective date are not required. For this reason, the requirements of the Regulatory Flexibility Act (“RFA”) also do not apply.<sup>7</sup> Further, this rule does not contain any collection of information requirements as defined by the Paperwork Reduction Act of 1995 as amended. 44 U.S.C. 3501 *et seq.*

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), the Office of Information and Regulatory Affairs designated this rule as not a “major rule,” as defined by 5 U.S.C. 804(2).

### 20 CFR Parts 404 and 416

[Docket No. SSA-2024-0056]

RIN 0960-AI93

### Further Extension of the Flexibility in Evaluating “Close Proximity of Time” To Evaluate Ongoing Changes in Healthcare

**AGENCY:** Social Security Administration.

**ACTION:** Temporary final rule with request for comments.

**SUMMARY:** We are extending the flexibility in the “close proximity of time” standard, as defined in two prior temporary final rules (TFR), through May 11, 2029. We issued a TFR providing the “close proximity of time” flexibility on July 23, 2021, because the COVID-19 national public health emergency (PHE) caused many individuals to experience barriers that prevented them from timely accessing in-person healthcare. On September 29, 2023, we extended the flexibility to evaluate evolving healthcare practices and consumption in a post-PHE environment. We determined that we need additional time to fully evaluate still-evolving healthcare practices after the PHE. We are therefore issuing this TFR to extend the “close proximity of time” flexibility until May 11, 2029, so we can continue to evaluate changes in healthcare practices and determine the proper “close proximity of time” standard for the musculoskeletal disorders listings.

#### DATES:

**Effective date:** This TFR is effective on February 18, 2025.

**Comment date:** We invite written comments. Comments must be submitted no later than March 18, 2025.

**Expiration date:** Unless we extend the provisions of this TFR by a final rule published in the **Federal Register**, it will cease to be effective on May 11, 2029.

**ADDRESSES:** You may submit comments by any one of three methods—internet, fax, or mail. Do not submit the same comment(s) multiple times or by more than one method. Regardless of which method you choose, please state that your comment(s) refer to Docket No. SSA-2024-0056 so that we may associate your comment(s) with the correct rule.

**Caution:** You should be careful to include in your comment(s) only information that you wish to make publicly available. We strongly urge you not to include any personal information in your comment(s), such as Social

Security numbers or medical information.

1. **Internet:** We strongly recommend that you submit your comment(s) via the internet. Please visit the Federal eRulemaking portal at <https://www.regulations.gov>. Use the “search” function to find docket number SSA-2024-0056. The system will issue a tracking number to confirm your submission. You will not be able to view your comment(s) immediately because we must post each comment manually. It may take up to one week for your comment(s) to be viewable.

2. **Fax:** Fax comments to 1-833-410-1631.

3. **Mail:** Mail your comments to the Office of Legislation and Congressional Affairs Regulations and Reports Clearance Staff, Mail Stop 3253, Altmeier, 6401 Security Blvd., Baltimore, MD 21235-6401.

#### Background

On December 3, 2020, we published the final rule, *Revised Medical Criteria for Evaluating Musculoskeletal Disorders* (final rule),<sup>1</sup> which became effective on April 2, 2021. This final rule revised the criteria in the listings that we use to evaluate disability claims involving musculoskeletal disorders in adults and children at the third step of our sequential evaluation process under titles II and XVI of the Social Security Act (Act).<sup>2</sup> The final rule, among other

<sup>1</sup> 85 FR 78164 (2020).

<sup>2</sup> For adults, the listings describe, for each of the major body systems, impairments that we consider to be severe enough to prevent an individual from doing any gainful activity regardless of his or her age, education, or work experience. 20 CFR 404.1525(a) and 416.925(a). For children, the listings describe impairments we consider severe enough to cause marked and severe functional limitations. 20 CFR 416.925(a). We use the listings at step 3 of the sequential evaluation process to identify claims in which the individual is clearly disabled under our rules. 20 CFR 404.1520, 416.920, and 416.924). We do not deny a claim when a person's medical impairment(s) does not satisfy the criteria of a listing. Instead, we continue
