

Protected by Local Government Partners.

Bureau Form Number: None.

OMB Number: 1024-0226

Expiration Date: 12/31/01.

Type of request: Reinstatement, with change, of a currently approved collection for which approval has expired.

Description of need: The Government Performance and Results Act requires the Federal agencies to prepare an annual performance report documenting the progress made toward achieving long term goals. The National Park Service needs the information in the proposed collections to assess the annual progress being made toward meeting Long-term Goals IIIa3 and IIIb2 of the National Park Service Strategic Plan of 1997. The information sought is not collected elsewhere by the Federal Government. The proposed information collections impose no data burden on the potential responders. Responding to the proposed collections is voluntary and is based on data that the respondents already collect and/or personal opinion. The National Park Service needs to obtain information to help evaluate and improve its recreation and conservation assistance program and its historic preservation programs.

Automated data collection: NPS is considering use of the worldwide web as a part of this information collection. NPS is committed to developing and implementing a method to seek evaluation of customer satisfaction with its web-based publications, training, and educational materials. The NPS will attempt to use electronic mail for respondents who have access to it so they can respond via the Internet.

Description of respondents: A sample of partners (individuals, organizations, and/or public agencies) who have received services and/or assistance from the National Park Service Rivers Trails, and Conservation Assistance Program (RTCA), Federal Lands to Parks Program (FLP), Partnerships Wild and Scenic Rivers Program (PWSR), and the Historic Preservation Publications and Technical Assistance Programs (HP).

Estimated average number of respondents: 790 (survey).

Estimated average number of responses: Each respondent will respond only one time, so the number of responses will be the same as the number of respondents.

Estimated average burden hours per response: 10 minutes (survey).

Frequency of Response: 1 time per respondent.

Estimated annual reporting burden: 132 hours (survey).

Richard M. Cripe,

Acting Information Collection Clearance Officer, WASO Administrative Program Center, National Park Service.

The firm plans to import small reference standard quantities of finished commercial product from its sister company in Switzerland for sale to its customers for drug testing and pharmaceutical research and development.

No comments or objections have been received. DEA has considered the factors in Title 21, United States Code, section 823(a) and determined that the registration of Lipomed, Inc. to import the listed controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971, at this time. DEA has investigated Lipomed, Inc. on a regular basis to ensure that the company's continued registration is consistent with the public
