

SUPPLEMENTARY INFORMATION: Notice is hereby given of the availability of the final evaluation findings for the Hawaii Coastal Management Program and the Hudson River (New York) National Estuarine Research Reserve (NERR). Sections 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended, require a continuing review of the performance of coastal states with respect to approval of CMPs and the operation and management of NERRs. The State of Hawaii was found to be implementing and enforcing its federally approved coastal management program, addressing the national coastal management objectives identified in CZMA Section 303(2)(A)–(K), and adhering to the programmatic terms of their financial assistance awards. The Hudson River NERR was found to be adhering to programmatic requirements of the NERR System.

Copies of these final evaluation findings may be obtained upon written request from: Kate Barba, Chief, National Policy and Evaluation Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 10th Floor, N/ORM7, Silver Spring, Maryland 20910, or Kate.Barba@noaa.gov.

FOR FURTHER INFORMATION CONTACT: Kate Barba, Chief, National Policy and Evaluation Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 10th Floor, N/ORM7, Silver Spring, Maryland 20910, (301) 563–1182.

Foreign–Trade Zones Board

[Order No. 1672]

Expansion of Foreign–Trade Zone 75, Phoenix, Arizona

Pursuant to its authority under the Foreign–Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign–Trade Zones Board (the Board) adopts the following Order:

Whereas, the City of Phoenix, grantee of Foreign–Trade Zone 75, submitted an application to the Board for authority to expand its zone to include the jet–fuel

storage and distribution system at and adjacent to the Phoenix Sky Harbor International Airport (Site 5) in Phoenix, Arizona, within the Phoenix Customs and Border Protection port of entry (FTZ Docket 17–2009, filed 4/23/09);

Whereas, notice inviting public comment was given in the **Federal Register** (74 FR 19935–19936, 4/30/09) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to expand FTZ 75 is approved, subject to the FTZ Act and the Board's regulations, including Section 400.28.

Signed at Washington, DC, this 23rd day of March 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration, Alternate Chairman, Foreign–Trade Zones Board.

Attest:

Andrew McGilvray,

Executive Secretary.

National Institute of Standards and Technology

[Document Number: 090306279–0146–02]

Final Voluntary Product Standard; DOC PS 20–10 “American Softwood Lumber Standard”

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice.

SUMMARY: The National Institute of Standards and Technology (NIST) announces voluntary product standard DOC PS 20–10 “American Softwood Lumber Standard” which will supersede DOC PS 20–05. The Standard establishes standard sizes and requirements for developing and coordinating the lumber grades of the various species of softwood lumber, the assignment of design values, and the preparation of grading rules applicable to each species. Its provisions include implementation of the Standard through an accreditation and certification

program; establishment of principal trade classifications and lumber sizes for yard, structural, factory/shop use: Classification, measurement, grading and grade-marking of lumber; Definitions of terms and procedures to provide a basis for the use of uniform methods in the grading, inspection, measurement and description of softwood lumber; commercial names of the principal softwood species; Definitions of terms used in describing standard grades in lumber; and commonly used industry abbreviations. The Standard also includes the organization and functions of the American Lumber Standard Committee, the Board of Review, and the National Grading Rule Committee.

DATES: DOC PS 20–10 “American Softwood Lumber Standard,” a voluntary product standard developed under Department of Commerce procedures, becomes effective June 1, 2010, for products produced thereunder on and after that date. The standard being superseded, DOC PS 20–05 “American Softwood Lumber Standard,” is effective for products produced thereunder through May 31, 2010.

ADDRESSES: Requests for a copy of DOC PS 20–10 should be submitted to: Standards Services Program, NIST, 100 Bureau Drive Stop 2100, Gaithersburg, MD 20899–2150. The standard is also available at <http://ts.nist.gov/Standards/Conformity/vps.cfm>.

FOR FURTHER INFORMATION CONTACT: David F. Alderman, Standards Services Division, telephone: 301–975–4019, fax: 301–975–4715, or e-mail david.alderman@nist.gov.

SUPPLEMENTARY INFORMATION: DOC PS 20–10 “American Softwood Lumber Standard” was developed by the American Lumber Standard Committee, the Standing Committee responsible for maintaining the standard. The revision was processed in accordance with provisions of Department of Commerce “Procedures for the Development of Voluntary Product Standards” (15 CFR part 10). A notice, which appeared in the **Federal Register** on April 3, 2009 (74 FR 15255) announced NIST's circulation of the revision for public review, requested public comments, and provided the history of the revision.

Analysis of Comments

NIST received one comment from an association representing lumber retailers.

Comment: The commenter requested that the standard be expanded to include a “single regime” for verifying the eco-attribute of lumber products with an on-product eco-label.
