Submission for OMB Review; Comment Request

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency’s estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by December 26, 2023 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Proposed New Recreation Fee Site

AGENCY: Forest Service, Agriculture (USDA).

ACTION: Notice.

SUMMARY: The Superior National Forest is proposing to establish a new recreation fee site. Recreation fee revenues collected at the new recreation fee site would be used for operation, maintenance, and improvement of the site. An analysis of nearby recreation fee sites with similar amenities shows the recreation fee that would be charged at the new recreation fee site is reasonable and typical of similar recreation fee sites in the area.

DATES: If approved, the new recreation fee would be implemented no earlier
