II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

³ In brief, the SIPC Brochure describes such things as the role of SIPC, what SIPC covers and what it does not, and how to avoid investment fraud.

⁸ 17 CFR 240.19b-4(f)(2).

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In May 2001, the U.S. General Accounting Office ("GAO")⁴ issued a report in which the GAO made recommendations to the SEC and SIPC about ways to improve the information available to the public about SIPC and the Securities Investor Protection Act ("SIPA").⁵ Among other things, the GAO recommended that self-regulatory organizations ("SROs") explore ways to encourage broader dissemination of the SIPC Brochure to customers so that they can become more aware of the scope of coverage of the SIPA.⁶

In response, NASD is proposing Rule 2342, which would require members to advise all new customers, in writing, at the opening of an account, that they may obtain information about SIPC, including the SIPC Brochure, by contacting SIPC, and to provide SIPC's Web site address and telephone number. In addition, proposed Rule 2342 would require members to provide all customers with the same information, in writing, at least once each year. In cases where both an introducing firm and clearing firm service an account, the firms could assign these requirements to one of the firms.

NASD is proposing an effective date of May 31, 2007, and states that it will announce this effective date for the proposed rule change in a *Notice to Members* to be published no later than 30 days following Commission approval. According to NASD, this will

give members time to make necessary changes to their customer documentation and systems.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁷ which provides, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed rule change is consistent with this provision of the Act because NASD members will be required to provide new customers with SIPC's telephone number and Web site address and to provide that same information to all customers, annually. This new requirement will further assist investors in obtaining information that will help them to understand SIPC and how SIPC protects investors.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) As the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

⁴ The GAO has since been renamed the Government Accountability Office.

⁵ GAO, *Securities Investor Protection: Steps Needed to Better Disclose SIPC Policies to Investors*, GAO-01-653 (May 25, 2001). In July 2003, the GAO noted that the Commission was working with SROs to explore ways in which the GAO's recommendations could be implemented. See GAO, *Securities Investor Protection: Update on Matters Related to the Securities Investor Protection Corporation*, GAO-03-811 (July 11, 2003).

⁶ In its report, the GAO also recommended that SROs consider requiring firms to include information on periodic statements or trade confirmations advising investors that they should document account discrepancies in writing. In response to this recommendation, NASD amended Rule 2340 to require that account statements include a statement advising each customer to report promptly any inaccuracy or discrepancy in that person's account to his or her brokerage firm and clearing firm (where these are different firms). Such statement also must advise the customer that any oral communication should be re-confirmed in writing to further protect the customer's rights, including rights under SIPA.
