

among other conditions, the proposed rule requires that: (i) Before an individual's initial designation, the individual must have been registered for a total of five years within the most recent 10-year period, including for the most recent year with the member that initially designated the individual; (ii) the waiver request must be made within seven years of the individual's initial designation; and (iii) the individual cannot have any pending or adverse regulatory matters, or terminations, that are reportable on the Form U4 (Uniform Application for Securities Industry Registration or Transfer).¹⁴⁰ The Commission notes that the designated individual must also comply with the Regulatory Element of the CE requirements.¹⁴¹ The Commission further notes that FINRA has committed to "engaging in an ongoing dialogue with industry participants to ensure that the waiver program is effective and efficient and, as needed, will provide guidance to firms."¹⁴²

FINRA states that the proposed rule change will make the qualification and registration process more effective and efficient, without affecting the proficiency required to function as a representative or principal or reducing investor protection.¹⁴³ FINRA also states that the proposed rule change may enhance the pool of prospective securities industry professionals by familiarizing them with securities laws, rules, and regulations and appropriate conduct at an earlier stage of career development.¹⁴⁴

The Exchange Act authorizes FINRA to prescribe standards of training, experience, and competence for persons associated with FINRA members.¹⁴⁵ In accordance with that provision, FINRA has proposed to revise its registration requirements, qualification examinations, and continuing education requirements which the Commission believes are designed to establish that persons associated with FINRA members have attained specified levels of competence and knowledge, consistent with the applicable registration category. The Commission believes that FINRA has adequately addressed all comments that are within the scope of the proposed rule change.¹⁴⁶ For the foregoing reasons, the Commission finds that the proposed

rule change is consistent with the Exchange Act.

V. Conclusion

It is therefore ordered that, pursuant to Section 19(b)(2) of the Exchange Act,¹⁴⁷ the proposed rule change (SR-FINRA-2017-007), be and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁴⁸

Eduardo A. Aleman,

Assistant Secretary.
