

Unfavorable communications in the Open Systems Research Group (OSRG) are transferred to the Air Reserve Component and retained for one year following an officer's termination of status or destroyed if the officer retires or dies.

Those documents designated as permanent remain in the military personnel records system permanently and are retired with the master personnel record group.

SYSTEM MANAGER(S) AND ADDRESS:

Program Director, AFMC/ESC/HIS/AF-IPPS, Bldg 1102C, 3rd Floor 29 Randolph Rd., Hanscom AFB, MA 01731-3000.

DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

Proposed Agency Information Collection

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice and Request for Comments.

SUMMARY: The Department of Energy (DOE) has submitted to the Office of Management and Budget (OMB) for clearance a proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995. The proposed collection will support the Weatherization Assistance Program Evaluation for the American Recovery and Reinvestment Act (ARRA) Period covering Program Years 2009, 2010, and 2011. A 60-day notice and request for comments was published in the **Federal Register** on March 11, 2011, 76FR 13398. No comments were received. This subsequent 30-day notice allows public comment on the final version of this information collection request. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Please note that in the final version the estimated burden has increased, primarily due to the collection of utility bill data on multiple instances instead of once as previously planned.

DATES: Comments regarding this proposed information collection must be received on or before July 18, 2011. If you anticipate difficulty in submitting comments within that period, contact
