

Total Annual Burden: 1319 hours.

General Description of Collection:

Section 42 of the Federal Deposit Insurance Act mandates that an institution proposing to close a branch give its primary regulator no less than 90 days written notice. Notices of closure are submitted on occasion as needed. Also, each insured depository institution must adopt branch closing policies. The adoption of policies is a one-time activity, repeated only if the institution finds need to revise its policy.

2. Title: Large-Bank Deposit Insurance Programs

OMB Number: 3064–0162.

Frequency of Response: On occasion.

Affected Public: Insured depository institutions having at least \$2 billion in domestic deposits and either at least: (i) 250,000 deposit accounts; or (ii) \$20 million in total assets.

Estimated Number of Respondents: 159.

Estimated Time per Response: 157–255.5 hours.

Total Annual Burden: 25,000–40,624.5 hours.

General Description of Collection:

Insured depository institutions having at least \$2 billion in domestic deposits and either: (1) More than 250,000 deposit accounts; or (2) total assets over \$20 billion, regardless of the number of deposit accounts are required to adopt mechanisms that, in the event of the institution's failure: (1) Provide the FDIC with standard deposit account and customer information; and (2) allow the FDIC to place and release holds on liability accounts, including deposits.

3. Title: Basel II Interagency Supervisory Guidance for the Supervisory Review Process (Pillar 2).

OMB Number: 3064–0165.

Frequency of Response: Event-generated.

Affected Public: Insured state nonmember banks and certain subsidiaries of these entities.

Estimated Number of Respondents: 19.

Estimated Time per Response: 420 hours.

Total Annual Burden: 7,980 hours.

General Description of Collection: The agencies issued a supervisory guidance document for implementing the supervisory review process (Pillar 2). The guidance was issued on July 31, 2008 (73 FR 44620). Sections 37, 41, 43, and 46 of the guidance impose information collection requirements. Section 37 states that banks should state clearly the definition of capital used in any aspect of its internal capital adequacy assessment process (ICAAP) and document any changes in the

internal definition of capital. Section 41 requires banks to maintain thorough documentation of ICAAP. Section 43 specifies that boards of directors must approve the bank's ICAAP, review it on a regular basis, and approve any changes. Boards of directors also are required under section 46 to periodically review the assessment of overall capital adequacy and to analyze how measures of internal capital adequacy compare with other capital measures (such as regulatory or accounting).

Request for Comment

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

Dated at Washington, DC, this 25th day of March 2015.
